

Lite Trade Demo Guide

ORIENTATION

Initiative Agreement – Call in for appointments and keep appointments. Communicate always.

Not The Purpose – (1) Not to win all or any trial trades, and (2) not to learn to day trade live in the market.

Purpose – (1) To recognize the predictability and profitability of these unique indicators with proper training.
(2) Secondly, to get acquainted, build trust, and get comfortable with joining the Group.

Priority – Valued at \$1,400 or more. Fully participate to ensure full extraction of Trade Demo value.

Demo Trial Completion – The LITE Demo Trial is complete for most in 7 – 10 days, not simply when 30 days pass. At the moment you recognize to any degree this system and support is your most ideal and assured means to extra cash, lifestyle income and wealth, then get into coaching.

Indicators – The profitability of the Group's unique and proprietary indicators proven for ~20 years.

Group Funding – The value of up to \$100,000 of a Group funded account to accelerate earnings.

Expertise – Real day trader expert coaches and a culture of expertise and success in day trading.

Ample Support – Trades provides, real people answer, chat rooms, vast video library, and more.

Coaching – Move into coaching at the soonest possible moment. Simply get trained, get funded, and trade.

Pro Funded – At least get into coaching with a “whatever it takes” approach (see website for price).
(• 60% profit share, • up to a \$100,000 Group trade fund, • 18 hours of 1-to-1 live online training)

Executive Funded – Best value. Select with an “if at all possible” tuition ability (see website for price).
(• 80% profit share, • no indicator fee paid for the first year (a \$3,372 savings), • often higher initial funding, • up to a \$100,000 Group funding, • 24 hours of 1-to-1 live online training, • 16 hours of side-by-side training in our SLC, UT office (flight and hotel paid), and • more).

Indicators / Waivers – There is a monthly Membership and Indicator fee, or a trading business expense.

Membership And Indicator Fee – \$21 + \$260 = \$281 is charged each month on the Demo start date.

First Month Promotion – Waived the \$281 fee during the first month of LITE Member Trade Demo.

Executive Waivers – No Membership and Indicator fees for the first 12 months after coaching.

Pro Funded Waivers – May waive 1 - 2 months with upgrade within 2 – 3 weeks from Demo start.

Trade Demo Waivers – May waive as needed, if actively trading and engaging, otherwise fees apply.

Cancellation – Cancel the monthly subscription at any time. Email Cancel@MyTradeSupport.Com

Greenchart – \$46 to an outside entity for access to data and our indicators of which we do not control fees.

Support – Talk to your mentor, Group staff, your coach, or email Support@Greenchart.Com

Cancellation – Cancel the monthly subscriptions at any time. Email Support@Greenchart.Com
